

PRIVACY POLICY

Evntly, LLC, a limited liability company organized under the Laws of the State of New York, operates www.evntly.com and the Evntly mobile application (“Evntly” “Service”). Evntly takes the privacy of those visiting our website and/or using our Service (“Users” or “you”) very seriously. This page informs you of our policies regarding the collection, use and disclosure of Personal Information when you use our Service because Users have the right to know what information we collect, how it is protected and used, and the circumstances under which it may be disclosed. This Policy describes the various ways that we collect and treat information and content provided by Users so as to enhance your use of our services while at the same time protect your privacy. Please read this Policy carefully, as your use of any Evntly services constitutes your acceptance of and agreement to the terms and conditions of the Policy. Do not use our services if you do not agree with the terms and conditions of the Policy. This Policy does not cover information collected other than on or through the Website, including without limitation offline and on sites linked to from the Website. This Policy may be modified from time to time without advance notice. Continued use of our services by you will constitute your acceptance of any changes or revisions to the Policy.

A. Type of Information We Collect

Our services collect the following personally identifying information: name, email address, mailing address, telephone number, and verification that the user is above the age of 18 years.

Our servers may also collect information regarding your usage of our services, including without limitation the pages you visit, the browser software and operating system you use, your internet service provider, your Internet Protocol address, referring / exit pages, date / time stamp and clickstream data. Additionally, the Services utilize user-specific analytics that measure individual use of the site, including but not limited to which videos have been viewed, internal pages visited, duration of visit, and user comments.

From time to time we may invite you to submit content such as writings, video, audio, graphics, photographs, pictures, information, questions, comments, suggestions, ideas or other content (“User Generated Content”).

We may supplement the information we collect about you online with outside records from third parties to enhance our ability to serve you, to tailor our content to you, and to offer you opportunities to purchase products or services that we believe may be of interest to you. We may combine the information we receive from those sources with information we collect through our services. In those cases, we will apply this Policy to any information received from third parties, unless we have disclosed otherwise.

B. How We Use The Information We Collect

Unless you have opted out of receiving promotional materials or notifications from us, we may periodically use your email address to send you such materials and notifications. If you want to stop receiving such materials and notifications from us, you can contact us at the information

below to alert us to your preference. In addition, you can opt out of, or unsubscribe from, receipt of such e-mails at any time by following the instructions contained in those e-mails.

By submitting User Generated Content to us via any social media provider, you (i) disclaim any ownership under any copyright right, privacy or publicity right, attribution right or any other right over, relating to or concerning any such User Generated Content and/or Social Media Content and (ii) expressly authorize and license us to reproduce, print, publish and disseminate any such User Generated Content and/or Social Media Content on the Website or in any other media for any purpose. Such authorization and license are in perpetuity and effective in any and all jurisdictions, meaning we may forever reproduce, print and disseminate any such User Generated Content or Social Media Content on the Website or in any other media for any purpose.

We also allow access to our database by third parties that provide us with services, such as technical maintenance, but only to the extent necessary to provide those services. Your information may be provided to third parties that manage or administer certain sections or features of the Website, in which case the information may be used by us and by any such third party, each pursuant to its own policies. We may also provide your information to our advertisers, so that they can serve ads to you that meet your needs or match your interests. While we will seek to require such third parties to follow appropriate privacy policies and will not authorize them to use this information except for the express purpose for which it is provided, we do not bear any responsibility for any actions or policies of third parties. To the extent we are legally required to provide access to our database in order to cooperate with police investigations or other legal proceedings, in those instances, the information is provided only for that purpose.

C. Additional Web Site Viewing Information

The Website may use cookies (i.e., files / information placed by a website on your computer to facilitate future use) internally, they may be used by third parties such as network advertisers to serve advertisements and may use third party analytics service providers to evaluate and provide us with information about the use of our Services and viewing of our content. Network advertisers are third parties that display advertisements based on your visits to the website and other web sites you have visited. The Services' third party ad network providers, the advertisers, the sponsors and/or traffic measurement services may themselves set and access their own cookies, web beacons and other tracking technologies on the device you use to access the our Services and track certain behavioral information regarding users of your device through a device identifier. These third party cookies, web beacons and other tracking technologies are set to, among other things: help deliver advertisements to you that you might be interested in; prevent you from seeing the same advertisements too many times; and understand the usefulness to you of the advertisements that have been delivered to you. Any images (or any other parts of a web page) delivered by third parties in association with third party cookies may serve as web beacons, which enable third parties to carry out the previously described activities. Third party cookies and web beacons are governed by each third party's specific privacy policy, not this Policy.

If you don't want any cookies, your web browser likely includes an option that allows you to not accept them.

Our services may contain links to and content from other websites, and those third parties may collect website usage information and information that identifies the computer or device you are using when web pages from our Services are sent to your browser. Such linked web sites are not under our control and we are not responsible for the contents of any such linked sites, any link contained in such linked sites, or any changes or updates to such sites. Links to any third party websites are provided only as a convenience. We do not endorse any link made available through our Services that is not affiliated with Evtly. We encourage all users of our Services to read the privacy policies of each and every website visited when linking directly from our Services.

This Policy applies only to information collected by the Website.

D. Use of our Services By Children

Our Services are not intended for use by children. No one under age 18 is allowed to provide any personal information (including e-mail addresses) or User Generated Content. If you're worried about your children's activities or their privacy on our site and/or mobile application, we encourage you to contact us at the contact information below.
